

1. **Scrat Tales:** Painted sky/clouds and place on cards in 3d space for parallax. Created distant horizon clouds and mountains.
2. **Kung Fu Panda 4:** Created full 360 sky cyc for the sequence. Created everything past the fortress ledge. The city was created in Houdini using a city sprinkle system then lit and rendered in Houdini. Later projected in Nuke. Painted in Photoshop
3. **Spies in Disguise:** Created everything beyond the first 3 rows of buildings and the water. Lit and rendered layout geometry from Maya and projected in Nuke. Painted in Photoshop
4. Same as 3
5. **Ferdinand:** Painted the sky
6. **Ruby Gillman Teenage Kraken:** Painted the sky and sun. Set up in Houdini
7. **Trolls Band Together:** Created everything beyond the center Rage Dome and two rows of buildings. The crystal buildings were setup and rendered in Houdini touched up in Photoshop and projected in Nuke. The Cloud wall is projected onto basic geometry to create volume for the camera move.
8. **Spies in Disguise:** Created everything behind the tunnel railing. The first 3 rows of buildings are full 3d beyond that they are layered cards.
9. **Kung Fu Panda 4:** I created everything except the characters and interactive cloud FX. Full 360 sky dome cyc and blood moon. The mountains are 3d setup in Houdini.
10. **Spies in Disguise:** Created the Sky, Boat, and land across the water. This is a time progression sequence from predawn to sunrise.
11. **The Book Of Life:** Created everything beyond the railing and the characters.
12. **The Book of Life:** Created everything on the other side of the bridge. Nuke and Photoshop
13. **Ferdinand:** Created the sky and city beyond the skyscrapers.
14. **Ruby Gillman Teenage Kraken:** Created the sky. The clouds were lit and rendered in Houdini. Set dressed for the sequence.
15. **Ice Age Collision Course:** Created the universe! A nebula is more like it. Stars, and earth. Photoshop and Nuke
16. **Ice Age Collision Course:** Created everything beyond the first row of trees. Vue, Photoshop, and Nuke
17. **Kungfu Panda 4:** Full 360 sequence Cyc.
18. **Spies in Disguise:** Created everything beyond the street. I laid out in Maya painted in Photoshop and projected in Nuke
19. **Scrat Tales:** I created everything except Scrat and the FX falling from the iceberg.
20. **The Book of Life:** I painted the sky moon clouds, and mountains
21. **The Book of Life:** I created everything except the characters.
22. **Scrat Tales:** I created the sky.
